

ABOUT US

The NYC Department of Correction manages twelve (12) inmate facilities, nine (9) of which are located on Riker's Island. In addition, the Department operates two (2) hospital prison wards (Bellevue and Elmhurst Hospitals) and several court holding facilities in Criminal, Supreme and Family Courts in each borough.

Annually, the New York City Department of Correction Central Office of Procurement purchases approximately \$140 million dollars in goods, services and construction contracts to operate and maintain the facilities under its management.

The solicitations issued by the NYC Department of Corrections present certified M/WBE vendors with vast procurement opportunities to contract with the City of New York. M/WBE certified vendors are encouraged to contact the Department to introduce themselves and to provide information on the types of goods and services that they are interested in selling to the City.

The NYC Department of Correction provides an Equal Opportunity for all vendors to bid on the solicitations released by the Department.

For information on NYCDoc & other City of New York contracts and services, visit our Web page at nyc.gov/doc (Contracts tab).

CONTRACTING OPPORTUNITIES WITH THE NEW YORK CITY DEPARTMENT OF CORRECTION

Cynthia Brann
Commissioner

MINORITY / WOMEN-OWNED BUSINESS ENTERPRISES (M/WBEs)

The New York City Department of Correction actively seeks qualified M/WBE vendors for goods, services, construction and construction-related services.

The City's M/WBE Certification Program connects certified M/WBE businesses with opportunities to sell their products and services to New York City agencies. The program's goal is to promote fairness and equality in the City's procurement processes by helping to strengthen the ability of certified M/WBEs to increase their capacity and effectively contribute to the City's economy.

To participate, businesses must be certified by the New York City Department of Small Business Services (SBS). Once certified, the firm will be listed in the SBS Online Directory of Certified Businesses, a comprehensive and searchable tool which is used by all NYC agencies and private entities.

For additional information or to apply for M/WBE certification, visit nyc.gov/getcertified. You can also obtain an application by calling the Certification Helpline at (212) 513-6311.
