

# SPECIAL FRIENDS TO THE UNIVERSITY

Founded in 1924, Victoria Foundation is a private foundation based in Newark, New Jersey, with an endowment of \$300 million. Since 1964, Victoria Foundation has focused most of its resources on children and families living in Newark, New Jersey, with grants totaling over \$340 million. The foundation recently announced a new framework that will direct its grantmaking, investments, and relationships on addressing systemic causes of generational poverty in Newark by focusing on strengthening community power, fostering economic justice, promoting youth self-determination, and responding to pressing needs.
