Hello gentlemen,

This is to the most current version of the survey that we have which aims to get faculty feedback into the impact covid-19 has made to research and other creative activities.

If you run into trouble, please do not hesitate to ask. I'm not sure I know what you need for the agenda, but hopefully this fills the need.

Take care,
Shawn

The NJIT Faculty Senate Committee on Research, Scholarship, and Creative Academic Activity is asking for feedback related to the pandemic impact on your research. We ask that you respond by XXXXXX. This survey should take about 3 minutes to complete.

What level of risk do you feel going on campus, or having your students on campus? *

1 2 3 4 5

High risk Low risk

How long have you been at NJIT?
