

**TLT Committee Motion
For Faculty Senate Approval
October 25, 2018**

Proposed Motion

NJIT policy requires that all midterm and final exams must be proctored, regardless of delivery mode, in order to increase academic integrity. Note that this does not apply to essay or authentic based assessments. Effective beginning Fall semester 2019, any course that may be taken entirely online (e.g., online or Hyflex mode) must give students the option to take their exam in a completely online format, with appropriate proctoring."

Approved Motion

"NJIT policy requires that all midterm and final exams must be proctored, regardless of delivery mode, in order to increase academic integrity. Note that this does not apply to essay or authentic based assessments. Effective beginning Fall semester 2019, students registered for a fully online any course section that may be taken entirely online (e.g., online or Hyflex mode) must be given students the option to take their exam in a completely online format, with appropriate proctoring."
