

Winter Aid Application Form (Student Instructions)

Winter financial aid provides students with essential financial support for their winter term studies, helping cover tuition, fees, and related educational expenses. Financial aid options for the winter term can include grants, loans, and other funding sources, depending on a student's eligibility and financial need. To apply for Winter Aid, please complete the Winter Aid Application form, which includes questions about your enrollment status, credits, federal loans (if required), and private loan options to explore.

Signatures: Students must create the PINs in the document portal and E-Sign this form. **A typed name or signature with an electronic pen is not acceptable.**
