

NEW JERSEY INSTITUTE OF TECHNOLOGY
PRE-ENTRANCE HEALTH FORMS

Welcome! We are pleased that you have chosen NJIT. Prior to enrolling, you will need to meet the NJ state and NJIT immunization requirements. Please carefully read all information.

Submission Deadlines:

Semester Entering	Submission Due Date
Fall Semester	July 1st
Spring Semester	January 5th
Summer Semester	May 1st
Late Registration for any semester	(1) week prior to start date preferred; no later (1) month of registering

Immunization Record Submission:

- Immunization forms must be submitted electronically through the Medicat portal.
- Documents via email or fax are not accepted. If difficulty in submitting records is experienced, send an email to healthservices@njit.edu for assistance.
- Acceptable immunization forms include:
 - NJIT Immunization Record Form (attached); or
 - An official immunization record from a healthcare provider; signed, dated and stamped; or
 - Record from a previous school, state immunization database, military branch, or employer; or
 - Lab report showing immunity.

Note: If you were vaccinated in New Jersey, your immunization records may already be on file. Check your file by clicking on 'Immunization' and then choosing 'View History' from the drop-down menu. You do not need to submit a record for immunizations that are already on file.

Submission Instructions:

1. Have forms ready to upload by either scanning them to a file or taking a picture and saving to a file
2. Go to <https://njit.medicatconnect.com>
3. Log in using your UCID and NJIT password
4. Click on 'Immunizations' on top of page
5. Enter all the dates for each immunization, as listed on your immunization form
 - a. Note: if submitting lab results for blood titers, leave dates blank and upload a copy of the lab report
6. Click 'submit' once all dates have been entered
7. Click on 'Upload'
8. From the dropdown menu choose the documents you need to upload
9. Click 'select file' and choose the file to upload
10. Click 'upload' you will be able to see all the documents uploaded in the "Documents on File" section.

Exemptions:

Students who require a medical or religious exemption may submit the appropriate documentation for review:

- Medical Exemption – requires a letter from a licensed physician, physician assistant or nurse practitioner stating the medical contraindication to the specific vaccine. The letter should also state if the exemption is permanent or temporary. If temporary, the approximate date that the vaccination could be taken should be indicated. The letter must be signed and dated by the provider and be on official letterhead stationary.
- Religious Exemption – requires a written statement, signed and dated by the student, or parent/legal guardian if student is a minor, explaining how vaccination conflicts with the student's religious beliefs or practices. Objections to vaccinations based on grounds which are not religious in nature and which are of a philosophical, moral, or secular nature are not acceptable.

- Submit medical and religious exemption documents through Medicat following the instructions above and by choosing the appropriate exemption from the upload menu.
- Students in an online only program and non-matriculated students are automatically exempted from the immunization, screening and education requirements outlined above

To review the NJ State Law regarding exemptions [here](#) and [here](#).

Physical Exam:

- Not required unless enrolled in an athletic program. Students enrolled in an athletic program will receive additional information from the Athletics Department.

Required Screenings & Education: The following are also required for all students (Online/non-matriculated are exempted).

- Tuberculosis Screen
- Meningococcal B Screen
- Meningococcal Education

To access the above screening forms and education information, please follow these steps:

1. Go to <https://njit.medicatconnect.com>
2. Click 'Forms' on top of page
3. Click on each form and complete. Follow any additional instructions as prompted, upon completing each form.
