RESIDENT PACKAGE & MAIL LOCKERS

As of Spring 2024, Resident packages and mail no longer delivered directly to the residence halls (with the exception of Maple Hall). Instead, resident student packages will be delivered to the mailroom who will then load them into automated package delivery lockers located in Campus Center (in the dining area outside of the Atrium near the Taco Bell and Farm to Campus Salads). Mail is only delivered Monday - Friday. Resident students can then pick up their packages (during building hours) using the two kiosks.

Procedure:

1. The mailroom receives your resident student package at the Cullimore Hall room 003 mailroom.
2. Mailroom staff scan the package as received and apply a bar code to the package.
3. Mailroom staff bring the package to the Campus Center lockers and load them.
4. Resident student receives an email from ResidentPackage@njit.edu containing a QR code and a 5-digit PIN number.
5. Student scans the QR code at the Campus Center locker kiosk (or enters the PIN).
6. The appropriate locker door opens.
7. Student retrieves their package and closes the door.

Campus Center hours are posted and are typically Monday thru Friday (7:00am to 10:00pm) and Saturday / Sunday (8:00am to 8:00pm). Building hours vary during breaks and holidays.

Warning: You must pick up your package from the lockers within 7 days of notice. If you do not, your package will be taken from the lockers and returned to the mailroom for pickup there.

LIVING WITH YOUR ROOMMATE

Residence Life staff is committed not only to helping you develop intellectually and emotionally, but also to helping you grow and learn in your community. A large part of your daily living experience involves interacting with your roommate/suitemates. The roommate/suitemate relationship is one of the most important relationships you will establish in your college career. Upon moving into your room, it is important to spend some time getting to know your roommate/suitemates. Discuss expectations right away to set ground rules and begin a dialogue regarding how your room will be used. This is also a good time to complete a roommate/suitemate agreement. Some items to discuss with your roommate/suitemate include:

- Daily Schedules: sleeping times, study times, quiet hours, TV viewing, use of music players and volume, etc.
- Personal Habits: smoking (not allowed in the building), singing, exercising, snoring, gossiping, etc.
- Guests and Visitation: friends in the room, overnight guests, etc.
- Privacy/Personal Time
- Housekeeping: making beds, cleaning rooms and bathrooms, refrigerator care, etc.
- Sharing: use or non-use of each other's clothes, records, food, bed, etc.
- Moods: grouchiness, illness, sadness, jealousy, etc.
- Rules and Regulations: Remember, you are held accountable for anything that goes on in your room
- Values involving race, religion, politics, lifestyle, goals, etc.

LIVING WITH YOUR ROOMMATE & OTHERS

ROOMMATE/SUITEMATE AGREEMENTS

If a problem develops between you and your roommate/suitemates, your RA/CA can offer suggestions or spend time with you and your roommate/suitemate to help resolve the problem. The roommate/suitemate agreements is available to view and print from our website as well as from your residence hall office.

To get a preview of our roommate agreement, click [HERE](#). Please note, agreements vary per hall due to the different living styles.

HALL COMMUNITIES

From the time you move onto campus until you leave at the end of the year, a community is being built on your floor and in your hall. Your community is made up of students and staff from different cultures, socioeconomic levels, races, religions, and lifestyles.

COMMUNITY STANDARDS

As a member of a community, you will have the opportunity to create a set of standards for your floor. These standards serve as agreements as to how all the members of the floor community will treat one another. Standards may change as your community grows and changes, but it is important to realize that as problems arise on the floor, it is the responsibility of the floor members, along with the members of the hall staff, to help you work toward a resolution. Together, you and your floor members can create a positive, supportive and enjoyable living experience in the residence halls.

COMMUNITY STANDARDS MEETINGS

RA/CAs have floor meetings monthly for residents to discuss community standards issues on their floors, and to give residents pertinent information, discuss upcoming events, and review policies and procedures. Each floor meeting is vital. Meeting times are determined at the first community standards floor meeting. Residents should contact the RA to find out what was discussed if they miss a meeting. All residents are responsible for obtaining and following the information/changes to community standards. Any resident may call a community standards accountability meeting whenever they feel one is needed.

OTHER GENERAL LIVING INFORMATION

ROOM CHANGES

If a resident wants to change their room, they will have the opportunity to do so after the first two weeks of each semester, if space is available. It is the responsibility of the resident to get written approval from the Associate Director prior to making the change. Click [HERE](#) to find out more information about room changes.

Unapproved room changes may result in a \$25.00 fine per person. Unapproved room changes include unauthorized moves to different halls, floors and bedrooms, even within the same suite. Look for room change information posted on the website and in your email each semester.

ROOM INSPECTIONS

Residence Life staff may inspect your room several times each semester in addition to the annual inspection by the state fire marshal. Residents are notified in advance of such inspections. Signs are posted informing students that inspections will take place within a two-week period. Residence Life staff will enter rooms even if residents are not present. Residence Life staff looks through each room inspecting for illegal items, cleanliness, and safety issues. Residence Life staff will confiscate any prohibited item(s) that are found. Confiscated item(s) may be claimed from your residence hall office by signing for them and taking them home before Thanksgiving and Memorial Day. After Thanksgiving and Memorial Day any confiscated items that remain will be discarded or donated.

During the room inspection process Residence Life staff makes note of any damage. Failure to pass room inspections may result in fines of up to \$50 per person and/or a judicial referral to Residence Life resulting in sanctions and/or dismissal from the residence halls. If a resident's room fails inspection, the room is re-inspected within seven days. If the room fails the second time, the information is forwarded to the Residence Life Office for further disciplinary action.

During break periods room inspections occur immediately after classes have concluded and before the start of each semester.

OTHER GENERAL LIVING INFORMATION

ROOM MAINTENANCE

All repairs and maintenance are completed by NJIT Facilities Services and/or contracted vendors. Authorized representatives of NJIT reserve the right to enter a room for facility inspection for reasons of health, safety, maintenance, and damage. Such entry is confined to reasonable hours, except in the case of an emergency. Privacy considerations concerning proper knocking and identification are observed. Entry without notice may occur in emergencies, and for routine and immediate maintenance.

Maintenance requests should be entered via the University's Maintenance Request software School Dude; click [HERE](#) to access.

Maple Hall has its own maintenance software that is only accessible to Maple Hall residents. Click [HERE](#) to access.

ROOM SELECTION

Each spring semester, residents have the opportunity to participate in the room selection process for the following academic year. Students who choose to take part in room selection have an opportunity to choose their own rooms and roommate(s).

VACATION PERIODS

Campus housing remains open for Thanksgiving, winter, and spring breaks. Resident students are allowed to enter and exit the building as during the regular semesters. Regular policies and procedures still apply. There is limited food and services during vacation periods.

TWELVE MONTH CONTRACTS

Residents have the option of taking twelve month contracts for an additional \$2400 that is split between the Fall and Spring term. This option allows a student to live on campus throughout the summer break. More details about the this contract are outlined in the 2024-2025 terms and conditions of the housing application and contract.

NJIT regularly sponsors plays, lectures, seminars, musical performances, athletic events, festivals, and fairs. More than 100 clubs, organizations, professional and honor societies, fraternities and sororities also sponsor events.

RESIDENCE HALL ASSOCIATION (RHA)

All resident students are Residence Hall Association (RHA) members. RHA meets weekly. Meeting times will be posted in your residence hall or you may contact your RA/CA for additional information. For more information about RHA, visit their Instagram [HERE](#).

Students also have the opportunity to run for HC executive board positions.
