

NJIT HILLIER COLLEGE OF ARCHITECTURE AND DESIGN

DESIGN ELECTIVE SUMMER STUDY

MAY 27 - June 12, 2025

TUSCANY STUDY ABROAD

INDUSTRIAL DESIGN / ARCHITECTURE / INTERIOR DESIGN

This 15-day, 3-credit course offers *industrial design, architecture, and interior design* students the opportunity to study the roots of modern Italian design for products, transportation, and interior architecture with a particular focus on luxury yacht and maritime design. Numerous field trips in northern Italy and the coastal region of Tuscany will highlight historically significant art and design in cities such as Venice, Milan, Florence, and Viareggio. Students will apply their learning through individual design exercises and collaborative lab and worksite experiences.
